

Dexciss Applicant Tracking System (ATS): Simplify Hiring Process with AI-Powered Automation

Trusted by organizations of all sizes to track, manage, and engage thousands of candidates

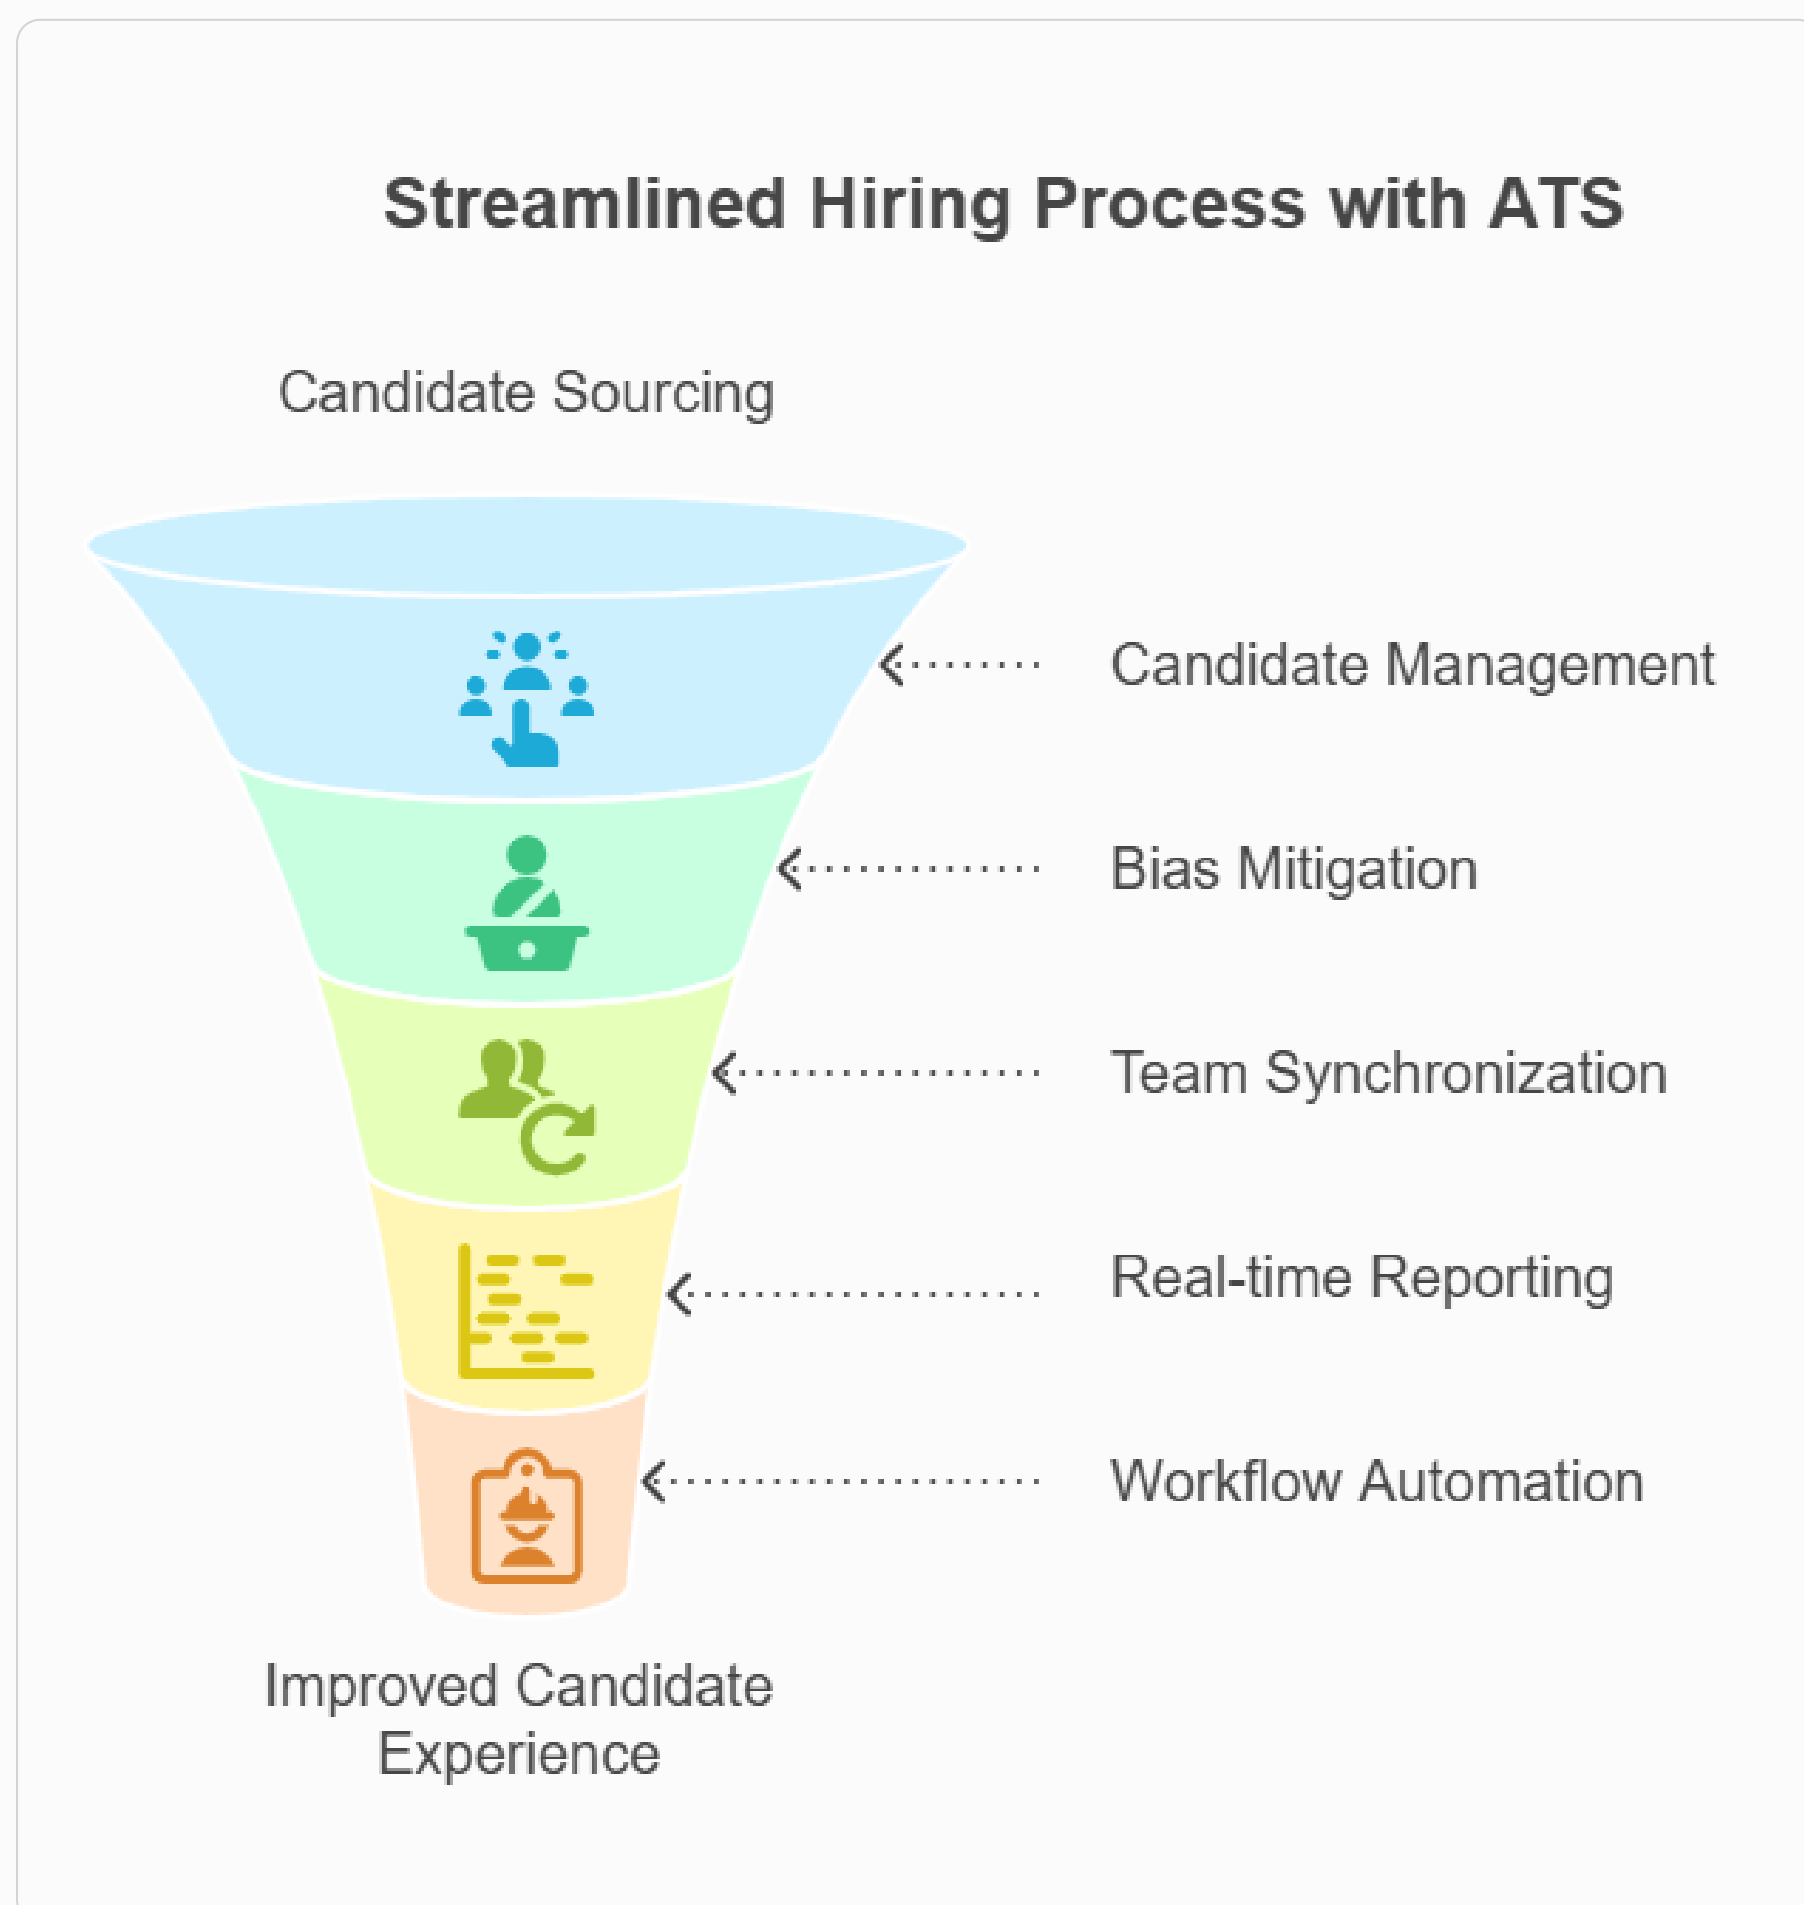

Introduction: Dexciss ATS

Dexciss ATS is your complete solution to modern hiring.

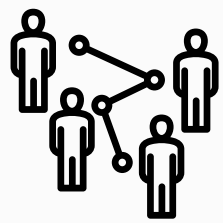

Post jobs, source top talent, and move candidates from first contact to final offer — all in one streamlined system. With AI-powered screening, automated scheduling, real-time updates, and built-in diversity tools, you'll hire faster and smarter.

Get the insights you need to eliminate hiring delays and secure the best people before your competitors do.

Build a recruiting process that grows with your business — and delivers results.

Key Features

Flexible Candidate Pipelines

Tailor hiring pipelines for different roles and departments. Build automated workflows.

Effortless Job Board & Social Media Posting

Integrates with thousands of job boards and social platforms. Post once, and your openings go everywhere.

Automated Candidate Communication

keeps applicants updated with automated emails, reminders, and even gentle rejection notes.

Built-in Compliance & Security

GDPR-ready, encrypts your data, and maintains detailed audit logs.

Career Pages that Showcase Your Brand

Build a customized career page that tells your story — no coding needed.

Smart Resume Parsing & Matching

Reads resumes, identifies key skills, and matches candidates to your jobs.

In-depth Analytics & Reports

Track time-to-fill, cost-per-hire, and diversity metrics, so you can adjust your strategy and fill roles faster.

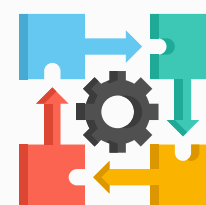

Bias-Free Hiring & Candidate Scoring

Anonymized profiles plus structured scoring keep decisions fair and focused on merit.

Mobile-friendly & Easy to Use

Review resumes, schedule interviews, and track status right from your phone.

Seamless Integrations & Future-ready

Connects smoothly with your HRMS, CRM, assessments, e-sign tools, and more.

Key Features

Interview Scheduling & Calendar Sync

Book interviews automatically and avoid scheduling conflicts.

Offer Letter & E-Sign Workflows

Generate, send, and track offer acceptances in one place.

Automated Talent Nurturing

Keep top candidates engaged with thoughtful follow-ups.

Integrations Background Checks

Connect seamlessly to testing and verification tools.

Easy Data Import & Export

Quickly upload candidates from spreadsheets or other systems. Effortlessly export your entire database or filtered lists.

Real Benefits, Real Success

Hire Faster & Save Time

Improve Quality & Fairness of Hires

Gain Visibility & Control Over Hiring
